## WHAT IS SPORTING CLAYS?

Sporting clays is "golf with a shotgun." It is a form of clay pigeon shooting that involves shooting clay targets at multiple locations (stations). Each station has two clay-throwing machines. Targets are thrown in pairs. The number of clay pairs will vary from station to station. The types of pairs will also vary.

Scoring is simple. Your team will receive one scoring card per shooter, with individual scoring based on 100 shots. For every target you break, the scorer will mark an X in the blank provided; if you miss, you mark an O. The number and type of pairs will vary by station. The high score is determined by the total sum of targets hit.

## YOUR SAFETY IS OUR PRIORITY! THE FOLLOWING COVID-19 PRECAUTIONS ARE BEING TAKEN

1. Porta potties are being sanitized multiple times a day
2. Masks are required when entering clubhouse, but not required in the pavilion or while shooting
3. Picnic tables will be sanitized before each use
4. Hand sanitizer will be available at the Pavilion and each station
