

NORTH TEXAS SECTION OF THE WATER ENVIRONMENT ASSOCIATION OF TEXAS

Preserving & Enhancing the Water Environment of Texas

Volume 28, Number 3

May 2016 Newsletter

May 2016 Dinner Meeting

Date: May 19, 2016
Location: Prairie House Restaurant, 10001 US-380, Aubrey, TX 76227
See MAP on next page
Speakers: Jody Zabolio (UTRWD), Samir Mathur (CDMSmith), Dean Gorell (CDM)
Time: 5:30 – 6:45 Dinner and Presentation;
7:00 - 8:00 Plant Tour

Presentation Title: “Doe Branch WRF—How A Vision Became a Reality”
PLANT TOUR & OFFICER ELECTIONS

Presentation Synopsis:

The presentation will focus on the unique delivery of the greenfield Doe Branch WRP. Initially set up as a traditional design-bid-build project, UTRWD elected to convert to a CMAR delivery halfway through the design in order to achieve a number of critical success factors.

Speaker Biography:

Jody Zabolio is the Assistant Director of Operations at the Upper Trinity Regional Water District.

Samir Mathur is a Vice President and Wastewater Process Strategy Leader in CDM Smith's Dallas office.

Dean Gorell is the PMc for the Doe Branch WRP CMAR project and based out of CDM Constructor's Dallas office.

May Dinner Meeting Map

Leadership Message - by Eva Gorgi

Dear WEAT-NTS Members,

As I prepare this final message at the end of my presidency, I would like to thank all of you for making another remarkable year for our Section. What made this year so special? Your involvement, willingness to contribute to our industry, make a positive impact on environment and society, and invite more utility personnel to join our activities:

- We had a great participation at the bi-monthly meetings: offering two lunch meetings was well received (in January we had more than 100 people!)
- The river clean-up activities (Trinity River Trash Bash and Redeem the Stream) were very successful- at Texas Water we received the “Most Trashiest Section” award and the “Most Interesting Piece of Trash” award.....and I was informed that you want more clean-ups!
- We assisted an anthropology professor with UNT with her master’s program’s research on “North Texas Wastewater Treatment: Operators’ and Educators’ Attitudes and Perceptions of Water Resource Recovery”. Students were invited to five wastewater treatment plants in the metroplex to learn about wastewater and its processes and interview operators on their perception about their profession. Three of the students presented aspects of their research at the Society for Applied Anthropology conference in Vancouver. Program was so successful that the professor wants to continue research with WEAT-NTS’ collaboration in a fall semester.
- Professional Wastewater Operators’ (PWO) committee is working on webinars dedicated to operators. These webinars will provide TCEQ CEU credits to attendees, create network among operators in our area, and offer applicable and practical knowledge about processes and overviews of the wastewater plants in North Texas. The first webinar will be launched in June.

Furthermore, to express how great North Texas Section is, let’s recapture the Texas Water Conference in Fort Worth:

- NTS Members won the majority of the awards– congratulations to all winners
- The NTS was represented by six Operations Challenge Teams (a record teams’ number)
- Andrew Alleman won the Dodson’s drive 5K as an individual and CH2M Dallas office placed first place as a team
- David Jackson assumed the reins as President for WEAT, Jeff Sober as a President Elect, Sharon Miller as Treasurer, and Buster Fishera as a Vice President
- City of Fort Worth prepared a wonderful conference with including a rain collaboration during all the outside activities: Environmental Event, Golf Tournament (the longest event ever!), and the Dodson’s drive run, where the rain completely stopped 10 minutes before the race.

As I bestow my role to Brigit Buff, I want to thank all the officers and committee chairs who dedicate their passion, time, and energy to make The North Texas Section the most active and successful section of WEAT. I am blessed to be surrounded by an amazing group of people and honored to contribute to the organization.

Eva Gorgi, WEAT-NTS President

YOUR AD COULD BE HERE!
See below to have your company in WEAT's newsletter

WEAT-NTS offers three levels of sponsorships for the July 2015—June 2016 year, plus multiple individual sponsorship opportunities

The sponsorship will support:

- WEAT-NTS and Darryl Hall Scholarship Funds
- Meeting Dinners
- Sections activities (fall BBQ and Sporting Clays Tournament)
- February Seminar
- Young Professionals
- Outreach Program (Science Fair, Future Cities, etc.)

Dinner Meeting Sponsors:

Platinum \$1,850

- Recognition at **ALL** six meetings
- Recognition of Platinum Sponsor is the same as a Gold Sponsor plus
 - ✓ Company name included in newsletter announcements, reminder emails, and sign at meeting
 - ✓ Display of digital banner at meeting (if supplied) via PowerPoint
 - ✓ Recognition of Platinum Sponsor by President at the beginning of the meeting
 - ✓ Includes Sponsor Ship of
 - ✓ February Seminar
 - ✓ Weat NTS Scholarship
 - ✓ Daryl Hall Scholarship
 - ✓ Business card ad in the NTS newsletter

Classic \$250

- For one dinner meeting
- Recognition of Classic Sponsors
 - ✓ Announcement on front page of newsletter (name of firm)
 - ✓ Announcement in meeting reminder emails (name of firm)
 - ✓ Sign at meeting listing the sponsors (name of firm)
 - ✓ Verbal recognition of sponsors by President at the beginning of the meeting

Individual Sponsorship Opportunities:

- | | |
|---|---------|
| • Fall BBQ Picnic Cook-off | \$250 |
| • Sporting Clay Station | \$150 |
| • Weat NTS Scholarship Fund (annual contribution) | \$100 |
| • Daryl Hall Scholarship Fund (annual contribution) | \$100 |
| • Newsletter Advertising (6 issues) and website link | \$150 |
| • NTS February Seminar | \$300 |
| • NTS February Seminar Table | \$500 |
| • NTS February Seminar Break Area | \$1,000 |
| • NTS Young Professionals | \$100 |

Gold \$1,250

- Recognition at **ALL** six meetings **(for the price of five)**
- Recognition of Gold Sponsor is the same as Classic Sponsors at **ALL** six meetings

SPORTING CLAYS RECAP

By Heather Compton

The 7th Annual WEAT-NTS Sporting Clays event was a hootenanny for a bunch of folks that may or may not have been shootenanny. A big thanks goes out to our many sponsors, volunteers and participants. This years tournament brought over 92 participants, 25 volunteers and 24 teams. This year's sponsors included:

Award	Team Name	Score
Team - 1st	Butt of all Chokes	87.0
Team - 2nd	Prime Controls 1	84.8
Team - 3rd	Archer Western 2	83.8
Team - Most Honest	CDM Smith	45.8
Team - 2nd to last	MWH Global	46.0
Individual - 1st	Barrett Miller	96
Individual - 2nd	John Bennett	92
Individual - 3rd	Allen Chupik	91
Individual - Most Honest	Andre Garces	12
Female - 1st	Christina Graves	51
Female - 1st	Christina Graves	51
Most Improved	Clint Pulliam	
Most Generous Sponsor \$	MS Dallas	
Most Generous \$ per Person	Freese & Nichols	
Top Volunteers	Betty Jordan Monique Florez	

SPORTING CLAYS, CONT.

First Place Overall Team award with an average of 87.0 shots went to the BASF team the Butt of all Chokes. Pictured above Doug Varner, John Bennett and Jeff Lungrin

The Prime Controls team came *Second Place Overall* with an average of 84.8 shots. This team consisted of Jace McNeil, Gary McNeil, Jim McMillon and Brian Poarch.

SPORTING CLAYS, CONT.

Third Place Overall went to the Archer Western team with an average score of 83.8 shots with David Nine, Allen Chupik, Bo Robbins and Shawn Roll.

Left: The *Most Honest team* award went to the CDM Smith team consisting of Amy Robinson, Ana Pene-Tijerina, Luke Ocampo, and Lance Phillips with an average score of 45.8 points.

At Least Weren't Last award went to the MWH Global team with an average score of 46 points.

SPORTING CLAYS, CONT.

Left: 1st Place Female was Christina Graves with a score of 51 points.
Right: 2nd Place Female went to Amy Robinson with a score of 49 points.

From Left to Right: 1st Place Individual went to Barrett Miller with a total of 96 out of 100 clays hit. 2nd Place Individual John Bennett with 92 points. 3rd Place Individual was Allen Chupik with 91 points.

Taking home the *Missed by a Mile* award was Andre Garces with 12 shots.

SPORTING CLAYS, CONT.

After a long day of shooting teams were rewarded with a BBQ lunch provided by BASF. This event would not be possible without our volunteers and willing participants. Thank you again for all who helped to make this event a success. We are looking forward to another successful event next year!

YP COMMITTEE

By Kaylee Dusek

Recap of Free Play Happy Hour

The planning committee for the YP Dodson Drive 5k recently organized a happy hour fundraiser at Free Play Arcade in Richardson on March 31st. At the event WEAT and AWWA members could play over 60 retro arcade games. For every entry, a portion of the profits went towards the YP Dodson Drive.

Recap of Dodson Drive 5K

Texas Water 2016 celebrated five years of the Dodson's Drive Fun Run held on April 20th. Proceeds from the run went towards Young Professionals and students to help support their education in the industry. This support is possible through the partnership with the Dodson's Drive Sponsorship Fund, honoring the life and work of Kenneth Dodson, also known as "Kenny D." The event this year had a great turn out, and thank you to all who participated!

Recap of Texas Water YP Happy Hour

The Texas Water Happy Hour turned out to be a tremendous success for both the WEAT and AWWA YPs. Combining forces of both organizations and all sections state wide, there was a record turnout of over 100 attendees. A big thank you to Joe Etchegaray with Global WET for sponsoring such a fun and successful event. The buffet, drinks, life size jenga, bean bag toss, and adult bucket pong made the night that much more memorable! There is already talk planning next year's Texas Water Happy Hour!!!!!!!

Next YP Event—May 20!

WEAT YP is partnering with ASCE, EWB, and SAME for a young engineer welcome and happy hour on Friday, May 20th at Sandbar Cantina. This event will welcome recently graduated engineers as well as offer a networking happy hour with four key professional organizations of our field. Join us on May 20th for sand volleyball,

Young Engineer Welcome + Networking Happy Hour

Hosted by ASCE, EWB, SAME and WEAT

Come join your local Dallas-Fort Worth area Young Engineers on Friday, May 20th for sand volleyball, networking, and appetizers while enjoying a killer view of the Dallas skyline. Graduates from UTA and SMU are highly encouraged to attend – this is your chance to get to know four of the key professional organizations for engineers in North Texas and network with young engineers from all fields of civil engineering.

Date: Friday, May 20th

Time: Court reserved for Young Engineers from 6-8pm

Location: Sandbar Cantina, 317 S 2nd Ave, Dallas, TX 75226

RSVP with Ramom Melo (YM, ASCE) at ramom.melo@aecom.com.

Looking forward to seeing you there!

Alexis Clark, YM Chair, ASCE Dallas

alexis.clark@hilti.com

MARCH MEETING RECAP

By Erin Flanagan

The March WEAT-NTS meeting was held at the Texas Star Golf Course and Conference Center in Euless, Texas, on Thursday, March 17, 2016. NTS members and guests were treated to live musical entertainment from the Central Snappers during social hour.

Cynthia Baughman, Public Works Operations Technology Manager for the City of Garland Water Utilities, presented on the communication and crisis management efforts of the City during crisis events in 2015. Notable crisis events included deadly flooding, a tornado, and a terrorist shooting at the City's convention center. Ms. Baughman reviewed the communications and response during and after these crisis events, the impact these events had on the City's public works operations, post-event recovery, and overall lessons learned. Thank you Ms. Baughman for your time and contribution to our organization!

Pre-meeting entertainment graciously provided by the Central Snappers. From left to right, Fred Wallace (Bass Guitar), Mark Burks (Lead Guitar/Vocals), Steve Lyons (Vocals), Dan Halter (Drums), and Steve Horton (Lead Guitar).

Cynthia Baughman (left) is presented with a token of appreciation from Eva Gorgi (WEAT-NTS President).

OPERATIONS CHALLENGE RECAP

By Heather Compton

This year's Texas Operations Challenge had a record breaking nine teams compete. Of those nine teams, six of those were made up of utilities out of WEAT-NTS including: Dallas Water Utilities AquaTechs, Dallas Water Utilities Central Snappers, Trinity River Authority CREWSers, Trinity River Authority Waste Warriors, North Texas Municipal Water District South Mesquite Rangers, and North Richland Hills POOseidons. If you missed this year's competition, here are a few highlights of WEAT-NTS's presence at the competition.

Figure 1 The TRA CREWSers run the AECOM Collection Systems Event

Figure 4 The DWU AquaTechs compete in the CP&Y Maintenance Event

Figure 2 The NRH POOseidons compete in the AECOM Collection Systems Event

Figure 5 NTMWD South Mesquite Rangers complete the new portion of the Freese and Nichols Process Controls Event

Figure 3 The TRA Waste Warriors complete the Hartwell Environmental Laboratory Event

PUBLIC OUTREACH

By Amy Robinson

Dallas and Fort Worth Regional Science Fair Judging

In late February, members of AWWA and WEAT again supported the Dallas and Fort Worth Regional Science Fairs by serving as Special Award Judges. Ten members gave up a Tuesday morning to help out at the Fort Worth fair, whereas twelve members gave up a precious Saturday morning to help out in Dallas. Volunteers judged water related projects prepared by middle and high schoolers, referred to as junior and senior division participants at the fairs, and awarded the top three projects in each division. Senior level participants also were judged for the opportunity to participate in the national Stockholm Junior Water Prize which focuses on water and environmental projects. Winners of the national Stockholm Junior Water Prize then advance to the international completion. Winners at the fairs are as follows:

Fort Worth Region Science Fair – Junior Division

- Third Place: Ashar Khazi-Syed; NANO IS HOT: Water Desalination Using Nanoparticles, HARMONY SCHOOL OF INNOVATION
- Second Place: Rebecca Fripp; Separating Oil and Water with a Spoon, Harmony Science Academy Carrollton
- First Place: Alana Rhodes; Water Purification System, ACTON MIDDLE SCHOOL

Fort Worth Region Science Fair – Senior Division / Stockholm Junior Water Prize Award Winners

- Third Place: Rayni Skaggs; Consequence of Nonpoint Source Pollution on Freshwater Mussels; GRANBURY HIGH SCHOOL
- Second Place: Raashi Thakkar; Go With the Flow: Development of a Novel Water Filter Utilizing Nanotechnology and Porous Materials For Third World Country, Military, and Freshwater Ecosystem Applications; TEXAS ACADEMY OF MATHEMATICS AND SCIENCE
- First Place: Diana Dyer; Reduce Evaporation, Save Water; NORTHSTAR HIGH SCHOOL

Dallas Region Science Fair – Junior Division

- Third Place: Robert Martinez; Shade Balls: Which Color Is More Effective?, GRIFFIN MIDDLE SCHOOL
- Second Place: Medha Mondal; Multi-Step Natural Water Filter, OTTO MIDDLE SCHOOL
- First Place: Nafisa Muhammad; Do Different types of Macroalgae and Mangroves Work Better at Reducing the Affect of Nitrate Levels in Fertilizer Runoff?, OTTO MIDDLE SCHOOL

Dallas Region Science Fair – Senior Division / Stockholm Junior Water Prize Award

- Third Place: Deemah Pulak; Development of an Affordable Tabletop Bio-Sand Water Filter Using Zero-Valent Iron and Old Cotton Sari Cloth, RICHARDSON HIGH SCHOOL
- Second Place: Monish Challagondla & Arjun Swamy; Computational Algorithm for Early Flood Warning, PLANO EAST SENIOR HIGH SCHOOL
- First Place: Luke Padgett; Drops to Drink: Effectivity of Capacitive Deionization in Desalinating Water, THE ACADEMY HIGH SCHOOL

Thanks again for everyone that came out to help! Hope you all had fun!
